Great things are happening, when great things are happening usually there is change behind it. This month, here are a few items that we are working on, or items you need to be aware of.

We are very proud to announce we have 1226 members; this is exciting as we budgeted for 1200 members. Great we are over our projected number of renewals for our budget of membership numbers. We are at 82.45 percent of membership.

2019 Nominations for the Board of Directors has been announced. There are two members running for each position, this is also exciting as this hasn't happened for years. Get to know who these candidates are, as your presidents will be voting at convention with duel choices. Soon you will receive the Call to Convention, which means time is getting closer for the Convention in Evansville, Indiana. You still have time to send in your Registration. On another note, I also wanted to clarify at this time that the board field trip is paid by each individual board member attending. The Association **does not** pay for this trip. I can't wait to see so many of you at that time.

Fun fact about the board, the majority of us have financial back grounds. Deal with accounting and understand the lingo.

Regional meetings are now completed. Some regions are working on completing the new Region Fund Bylaws, which will take effect January 1, 2019. Also, we will have our new regions and new directors for 2019. As the last Regional Meeting was held at the end of May, the final voting on the new Regional Directors-Elect hasn't been completed. Look for the exciting news soon for the names of each new Regional Director for 2019. Sheryl Miner is working on the official regional map. Thank you, Sheryl.

2017 ADDC Convention Photos are now available for purchase. \$10.00 per cd. The order form is on the ADDC Website under "Monthly Committee Letter & Forms". Send your completed order for and your check to ADO.

The board, along with committee members has started to use drop box this year to start saving our information in one place. If there is anything of importance you want to have stored with the association, please forward to ADO and myself for approval.

ADDC Store- Last quarter we made a profit for the association of approx. 250.00.

ADDC Abbreviator royalties paid to the association this year is \$156.93. This is why it was a part of our strategic plan to update this. With a new addition we are appealing interest in a new book. We have already begun the update.

Grant writers, we need you. We are working on apply for 3 grants. The following grants are <http://www.pepsico.com/sustainability/Philanthropy>.  
<https://www.swn.com/responsibility/pages/corporategiving.aspx>.  
<https://www.shell.us/sustainability/request-for-a-grant-from-shell.html>  
<https://www.nrg.com/about/community/grant-requests.html>

Articles of Association are also being updated by the most recent past presidents. Thank you for working on this.

ADDC Advertising is also a new feature we are launching this year. Details are in the Insight. Please consider advertising with us.

As part of the strategic plan, more specific. Social Media. This team consists of Carrie Harmon, Casi Nichols, Wendy Sparks and Alicia Young. They are putting together some amazing ideas. If you have any ideas to share or post, please reach out to this team. Stay tuned.

The 3<sup>rd</sup> Addition of the “Bit of Fun” Energy Activity Book (EABs) is available for order! This is a great way to share our industry with the youth. Edmonton Desk and Derrick donated books to local children overseas in London. Thank you, Karen Kinley for letting us be a part of this.

GAME on the left-hand side of the website, is a great resource for lots of leadership information. If you have not read the materials, I encourage you to do so.

Thank you to clubs who have sent me your club bulletins directly. I enjoy reading all of them. It is amazing all the things we are doing, donating and attending.

Lastly, thank you to members who have reached out to me with your words of encouragement and wisdom. This year, being a correction year is never an easy job, but it is one that must be done. I am proud of the changes I see happening now. They were much overdue, but I am very proud to see that happen. Please continue to reach out to me.

Christina Forth  
ADDC President

Region III Director's Newsletter

July 2018

This year has certainly been a busy one, affording members the chance to really take advantage of getting involved. We have definitely exercised our right to vote via U.S. Mail this year. I can't recall another time during my personal club history when we have voted in that manner quite so many times. It just goes to show you we are adaptable and can certainly meet challenges head on!

**I am very proud of Region III members** for taking the time to read and go over the proposed Southeast Region Fund Bylaws. Presidents, you have done an outstanding job of getting not only each member involved, but also for taking the initiative to voice your club's opinions concerning any impending issues and/or changes you would like for the committee to address. It just goes to prove to me that you are truly interested in not just the present – but most importantly, the future of our association. **Way to go Region III!**

The entire newly formed Southeast Region will have many challenges to face in 2019. In particular, incoming Southeast Region Director-Elect, Evelyn McCurley Ingram will have many more members in her Region with the 2019 merger. She will definitely be in need of dedicated members to give her a hand. There are many positions to be filled and I know first-hand once she has that under her belt – her job will be much easier. Don't hesitate – sign up or give her a call. Offer your expertise and knowledge. You may not realize it but your assistance is very valuable and you'd be surprised at how much you will learn in the process. You may even get the bug to run for region director in the not too distant future. Always remember – it's OUR club and OUR FUTURE - and it's so important to be an active member.

As many clubs are already thinking about their future by way of the upcoming elections for 2019 officers and directors, you should consider running for an office on the club level, if not the regional level. We do have the dedicated members who continually carry us into the future by allowing themselves to be recycled over and over again, and we are so thankful for their volunteerism. Why not get involved and run for an office yourself. You are not alone. Those recycled members stand ready and willing to give you advice, encouragement and share their knowledge with you. Experience is the best teacher and there is no better way to learn than to at least try.

One last reminder – don't forget to complete your registration for ADDC to be held in Indiana this coming September.

**HAPPY 4<sup>TH</sup> OF JULY!**

PRESIDENT  
**Sarah Hulin**  
T. Baker Smith

PARLIAMENTARIAN  
**Ada Weeks**  
B & B Oilfield

Marquis de Lafayette once said "Humanity has won its battle. Liberty now has a country" and it has been well stated that we are the Land of the Free because of the Brave. It is the courageous actions of our military (both those serving and their families at home) that provide us with the liberties we enjoy daily! I certainly hope each and every one of you had a wonderful 4th of July with your family and took the time to pray for our soldiers who were away from theirs!

The ADDC Nominating Committee has done an outstanding job as, for the first time in quite a long time, we have a SLATE of candidates, with competition for all offices. The nominees are:

- PRESIDENT-ELECT: Keith Atkins, El Dorado Club  
Jill Coble, North Harris/Montgomery County Club
- SECRETARY: Kim Oelze, Heartland Club of Southern Illinois  
Wendy Sparks, Oklahoma City Club
- TREASURER: Evelyn Green, San Antonio Club  
Barbara Pappas, Wichita Falls Club

The qualifications and goals of each candidate was forwarded to you in an email back on July 2, 2018 (if you did not receive them, please let me know) and since the candidates will be officially presented and voted on at the 2018 Convention in Evansville, Indiana, it would be appreciated if you could review and be prepared to discuss at our August meeting. These are the people we will be voting on to represent our organization for 2019 and it is important that we consider the candidates carefully and make an informed choice!

Speaking of Convention, if you have not mailed in your registration there is still time to do so! Deadline for early bird is August 1, 2018! Thus far, 5 members have registered to attend: myself as your delegate, Sheri Bienvenue as your alternate, Lori Landry, Sarah Hulin and Amy Segrest! We will be voting on a 2nd alternate during the July meeting so please be prepared.

You have asked and we have listened...I am proud to announce that we will now be ACCEPTING CREDIT CARDS to pay for your monthly meal!!! **The cost will increase to \$20 if you choose to pay with a credit card** to cover fees, but will remain at \$17 if you pay with cash or a check! July will be the first month, so please be patient and work with our House committee while they adapt to the new feature!

Our July meeting will be held on July 18th and our guest speaker will be Mark Miller (Carol Trosclair's boss!) who will discuss the "Reemergence of the Austin Chalk Play". Mr. Miller will be bringing Dewey Stringer and Wayne Turner, the owners and operators of Petro-Guard, to enhance the presentation (Mr. Miller's description, not mine). Hope to see all of you there!

Until next month...  
*Kathy Martin*

# Member Spotlight

## Charlotte Bardelon

I am Charlotte Bordelon, a 26-year-old who was born and raised in Lafayette, Louisiana. I may seem quiet and shy but never let that fool you when it comes to jamming to music or simply enjoying life! I am probably known around the area for various things, but I am more commonly known as Char, Chardizzle, “Char the Boss” (hence my initials of CTB), Aunt Char, Nanny, etc. I have an older brother, Shannon, who lives in Florida and currently works in Nigeria. Being 11 1/2 years older than me, Shannon has taught me many life lessons and has also allowed me to become an aunt to my 3 beautiful nieces: Lorin (12), Lillie (10), and Gabriella (7). I am also honored to be a Godmother to a precious 3-year-old, Savannah Rose. While I am trying to patiently wait & pray for my future husband, I treasure every minute I can with the children around me until I can start a family of my own.

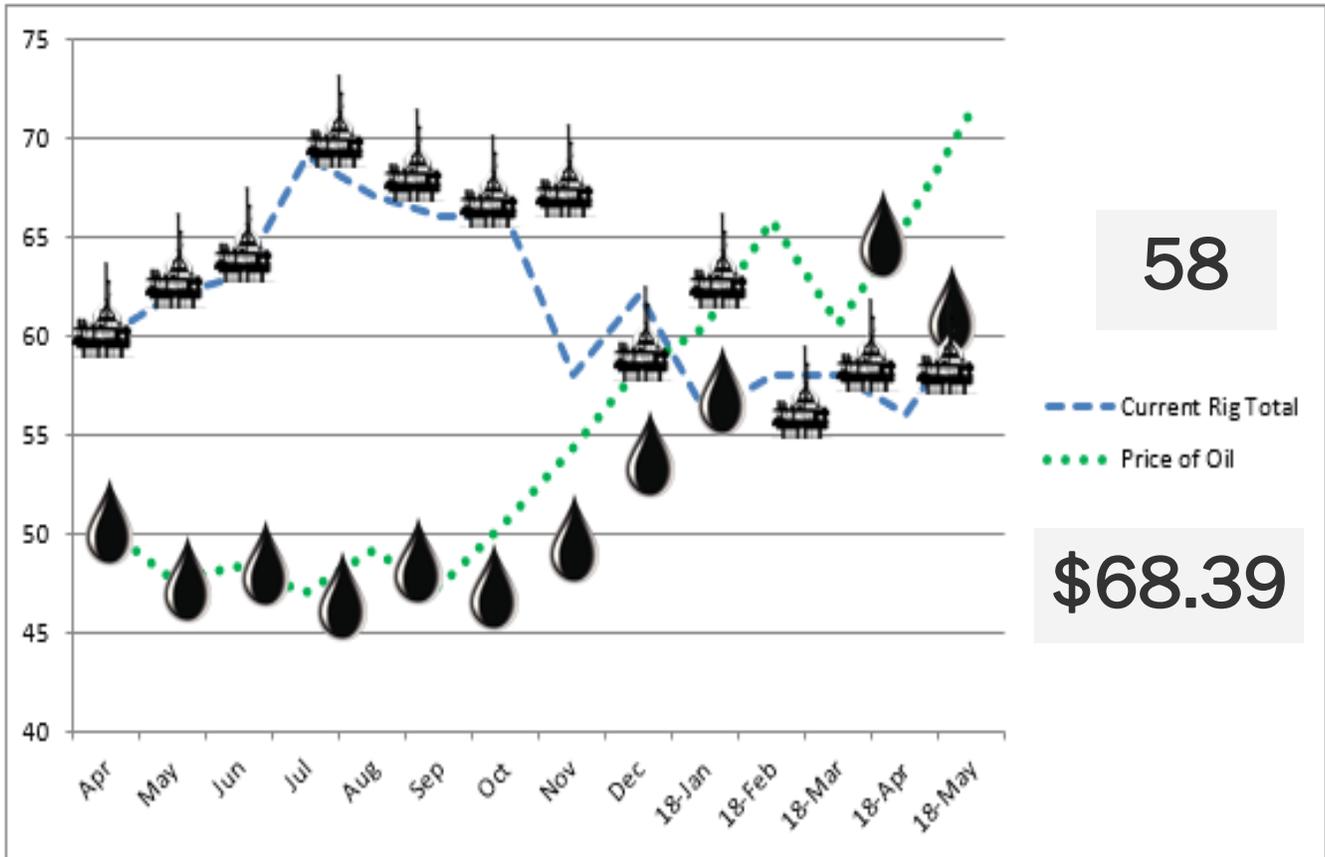

I am a 2014 graduate of the University of Louisiana at Lafayette, ULL, where I obtained my Bachelor of Science in Business Administration- Finance degree. At this time, I also achieved my goal of graduating college with a 4.0 GPA. Throughout college, I spent time gaining professional experience as an Accounting Intern with South Louisiana Community College and Stone Energy Corporation. Both employers taught me so much and are the reason I am where I stand today. Upon graduation, Stone Energy hired me on as a full-time employee which allowed me to fulfill my goal of wanting to work within the oil & gas industry. I’ve had the privilege of being exposed to all areas of a typical corporate accounting department and now work as a Treasury Analyst. My favorite thing about my job is that I get to hold the responsibility of assisting in maintaining cash flow and liquidity for the entire corporation. Having the opportunity to manage daily cash transactions and initiate various types of payments has broadened my knowledge in understanding everything that needs to take place for a company to operate in an effective manner. After 4 1/2 years of working for a corporation I’ve really loved walking into every day, I am currently in agreement to assist Talos Energy, formerly known as Stone Energy, with transitioning my duties until around November 2018.

Although I never know where life will take me, my long-term career goal is to eventually obtain an executive title, such as a CFO. Due to this goal, I’ve recently decided to enroll in ULL’s online MBA program. Anyhow my MBA courses now take up almost all of my spare time, I do enjoy spending time with my family/friends, watching football, traveling, working towards my personal goals, watching comedies, and creating my own music mixes (hence my nickname of Chardizzle). Creating mixes takes a lot of time and patience, but it is also a good stress relief. I use my mixes for either working out or hanging out with my close friends. A few years ago, I created a mix for a birthday party my friend was having for her little girl. I uploaded it to my SoundCloud website, shared the link with a few close friends, and somehow my Kid’s Party Mix now has over 20,000 plays from people all around the world.

Overall, besides seeing me jam at red lights to genres anywhere from Country to Rap, I do always try to focus on becoming the best person I can be. I try to maintain my professional networks, get involved in professional organizations such as Desk & Derrick and COPAS of Acadiana, stay focused on my personal aspirations, and enjoy every minute of life that God blesses me with. My daily goal has always been to try to ensure that the daily choices I make will motivate future generations to strive to become the best they can be.

## August Birthdays:

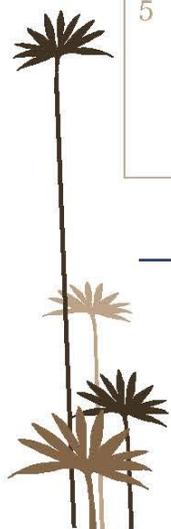

8/9 – Karen Thomassee

8/14 – Keith Emerson

8/16 – Sheri Bienvenue

## Guest Speaker this Month:

Mr. Mark Miller

## Mark K. Miller

Will be discussing the

### **"Reemergence of the Austin Chalk Play".**

Accompanying Mr. Miller will be Dewey Stringer and Wayne Turner, the owners and operators of Petro-Guard .

[mark.miller@MKMVENTUREGROUP.COM](mailto:mark.miller@MKMVENTUREGROUP.COM)

Mark K. Miller is a native of North Carolina and obtained his B.A. from the University of South Carolina in 1980. Mark began his career in the petroleum Landman business in 1981 after leaving John E. Chance and Associates as an offshore instrument man. Mark obtained his Certified Professional Landman's certification in 1987 and his Environmental Site Assessor (ESA) certification in 1991. In 1992, he co-authored a field manual for the ESA curriculum for the American Association of Petroleum Landmen (AAPL). In 1989, Mark co-authored the *Louisiana Courthouse Directory*—an informational book on the 64 parishes of Louisiana.

Mr. Miller has 37 years in the field of petroleum land management. He has experience in due diligence, abstracting, leasing, curative, and seismic acquisitions. He has also negotiated and acquired pipeline right of ways and easements. Mr. Miller has lead corporate acquisitions and divestitures by assisting clients in finding producing properties while managing extensive due diligence consulting, research and reporting.

Mr. Miller has provided expert testimony in federal, state, and municipal court proceedings pertaining to petroleum land management as well as oil and gas lease exploration. He also has worked on cases involving 3-D seismic acquisition along with Phase I ESAs.

Mr. Miller was appointed by the Secretary of Energy and serves on the National Petroleum Council in Washington D.C. in 2016 to present. He is currently the 2016-2017 immediate past Chairman of the Independent Petroleum Association of America and has served as Vice Chairman for 2013-2015. He serves on the board of the Louisiana Oil and Gas Association (LOGA), formerly on the AAPL Legislative Committee, and the Foundation Board at the University of Louisiana at Lafayette (ULL). He also is on the Dean's Advisory council for the ULL College of Business and has served twice as President of the Lafayette Association of Petroleum Landmen.

This month's donation item:

## Paper Plates

*As always, any item you have to donate is welcome.  
Please bring your donations to this month's meeting.*

### ONLINE DONATIONS

Faith House's new online Wish List makes donation delivery easy, because purchased items are automatically sent straight to Faith House!

If you are interested in donating online, please emails me at [Amy.Segrest@tbsmith.com](mailto:Amy.Segrest@tbsmith.com) and I can forward you the link.

We will now be accepting Mardi Gras beads to donate to LARC here in Lafayette. I have included some information below on what LARC does. This will be an ongoing donation, so bring your beads to any of our monthly meetings and the Special Activities Committee will handle everything from there!

*It's a great time to clean out your closets, attics and garages and donate for a cause!*

Taken from LARC's Website:

"Mardi Gras Beads-n-More is one of LARC's Enterprises, which creates jobs and opportunities for individuals with developmental disabilities. It is located in the old "Mississippi Valley Museum" in LARC's Acadian Village. Hours are Monday-Friday from 9am-2pm. It is here you will find LARC individuals sorting through beads. They are first measured by size then bundled into a dozen of the same size/length. They are then bagged according to specific size.

Area Mardi Gras Krewes, businesses, and individuals are encouraged to purchase their beads for Mardi Gras and other occasions at Mardi Gras Beads -N- More. All proceeds benefit LARC's Vocational Services Department. "

# Rootbeer Baked Beans

## Ingredients:

- 3 bacon slices
- 1 small onion, diced
- 2 (16-ounce) cans pork and beans
- 1/2 cup root beer (not diet)
- 1/4 cup hickory-smoked barbecue sauce
- 1/2 teaspoon dry mustard
- 1/8 teaspoon hot sauce

## Step 1

Cook bacon in a skillet over medium heat until crisp: remove and drain on paper towels, reserving 2 Tablespoons drippings in skillet. Crumble bacon.

## Step 2

Sauté diced onion in hot bacon drippings in skillet over high heat 5 minutes or until tender. Stir together onion, crumbled bacon, beans and remaining ingredients in a lightly greased 1-quart baking dish.

## Step 3

Bake beans uncovered at 400° for 55 minutes or until sauce is thickened.
