All four of the region meetings are now over. What a great experience it is to reacquaint with old friends and make new ones. I hope you were able to attend at least one region meeting. Great educational opportunities were offered and I commend the host clubs on all of the hard work that was put into the planning and programs. The members, as well as the GAC's, to be commended for their hard work and dedication in putting these meetings together. Their advice, expertise and extraordinary efforts do not go unnoticed.

After attending a region meeting, I encourage you to take back to your clubs what you learned. Become a mentor for a new member, agree to serve on a committee, share new information with a member who was unable to attend – get involved and enthused! We need new members – they are the building blocks to make our Association stronger!

I would like to personally congratulate the newly elected Region Directors:

Shelly McCool – Enid Club – Central Region

Christina Forth – Edmonton Club – West Region

Shelly Hildebrant – Bay Area Club – Northeast Region

Susan Miller – Westbank Club – Southeast Region

Please join me in extending well wishes to each of them and offer your support and volunteer.

There are a couple of deadlines coming up. First of all, the deadline for the tax exempt form that each club must send in is May 15<sup>th</sup>. This is an important part of keeping our tax exempt status.

Secondly, the deadline for nominations to the 2020 Board of Directors is approaching. Have you thought about being an officer of the Association? Being an officer or ADDC has been and is one of the most rewarding experiences of my life. You have until June 7, 2019, to decide and submit your application.

## May 2019

We made it back from the 1<sup>st</sup> Annual Southeast Region Meeting. It was a great meeting. The Victoria Club is small with only 6 members, but they did a fantastic job. Besides the fact that Sarah and I got left behind, the fieldtrips were great. If your ever in Victoria, TX Mumford's BBQ is a must. It was not a pretty place, but the food, especially the green beans, made up for it. Below are a few updates/announcements from the meeting:

- The Regional rotation schedule has changed a bit. The Lafayette club will now hold the SE region meeting in 2022.
- Next year's 2020 Region mtg is being hosted by the Westbank Club. They have decided to mix it up a bit and have it on a cruise. Dates are 4/16-4/20
- Prices are for double occupancy:  
Interior \$423/person  
Ocean \$478/person  
Balcony \$583/person
- Correct dates for upcoming Conventions are:  
Kansas City – 9/25-9/28/2019  
Pittsburgh – 9/16-9/20/2020  
New Orleans- 9/22-9/25/2021
- Susan Miller was named the 2020 SE Region Director.
- We currently have 244 members in the Southeast Region.
- There are currently 1062 members in ADDC.
- I will present member recognition awards and contest winners at our May meeting. \*\*If you want to check out the Photo contest judges' scorecards, they are on our website. Pretty interesting because you can see what the judges are looking for! [www.ddlafayette.org](http://www.ddlafayette.org) – see "REGION" page, then "REGION CONTEST FEEDBACK FORMS & RESULTS"

Our very own Kathy Martin is lined up to be our speaker for May. She will be presenting, "Who Wants to be a D&D Millionaire." Hope everyone studies up and is ready to test their D&D knowledge.

Hope to see all your friendly smiling faces Wednesday 5/15.

*Sheri L. Bienvenue*

President Trump spoke on energy and economy while visiting Cameron LNG facility in Cameron Parish. He toured the building before his speech to workers and the public gathered there.

During his remarks, Trump touted the work being done in Louisiana that would keep American energy dominant. He said that The Cameron LNG plant was unlike anything he had ever seen.

Better, cheaper, cleaner Trump said of the move to keep business on American soil. "Instead of relying on foreign oil and energy, we are producing like never before," Trump said

While speaking, Trump mentioned his future 2020 campaign and his current Democratic opponents. Trump, spoke on his trip to the Cameron LNG plant saying that he had concerns over the Calcasieu Bridge on I-10.

Trump stated that if he was elected in 2020, he would promise a new bridge to replace the one he calls unsafe. That statement elicited cheers from the crowd and a standing ovation.

President Trump arrived in Cameron Parish on Tuesday at around 2:15 for his third trip to Louisiana since taking office in 2017.

## **BRAVING - Rumbling with Trust**

On Saturday March 9<sup>th</sup>, Ramona Bienvenu and Carol Trosclair put on a great seminar regarding Trust. I must admit when I heard it was going to be on Trust, I wasn't sure what they were going to tell me about Trust that I already didn't know... boy o boy – was I wrong!

First of all, I was so very pleased to see that there were 29 attendees for the seminar. The Enlink conference room on a Saturday morning was packed! Secondly, the seminar taught me that it's not just as simple as, "do you trust a person or not", but that there are probably specific reasons behind why you may or may not trust them. The reason(s) can usually be broken down by using the acronym **BRAVING**.

### **Boundaries**

- You respect my boundaries. We are clear about what's ok and not ok. Your willing to say no.

### **Reliability**

- You do what you say you will do, when you said you would.

### **Accountability**

- You own your mistakes, apologize and make amends.

### **Vault**

- You don't share information or experiences that are not yours to share.

### **Integrity**

- You choose courage over comfort.

### **Nonjudgement**

- You allow people to talk to you about how you feel without judgement.

### **Generosity**

- You extend the most generous interpretation possible to the intentions, words and actions of other

Choose a person with whom you are experiencing trust struggles with. It would be a good practice to use **BRAVING** so you can get clear on why the struggles exist.

The presenter, Ms. Frances McIntosh based this seminar on the book "The Daring Way" based on the research of Brené Brown. Frances specializes in Leadership and Organizational Development and is a Certified Facilitator for the Daring Way. She was very well spoken and gave multiple real-life examples. Frances allowed attendees to ask questions throughout her seminar, which created an environment for very open and honest dialogue.

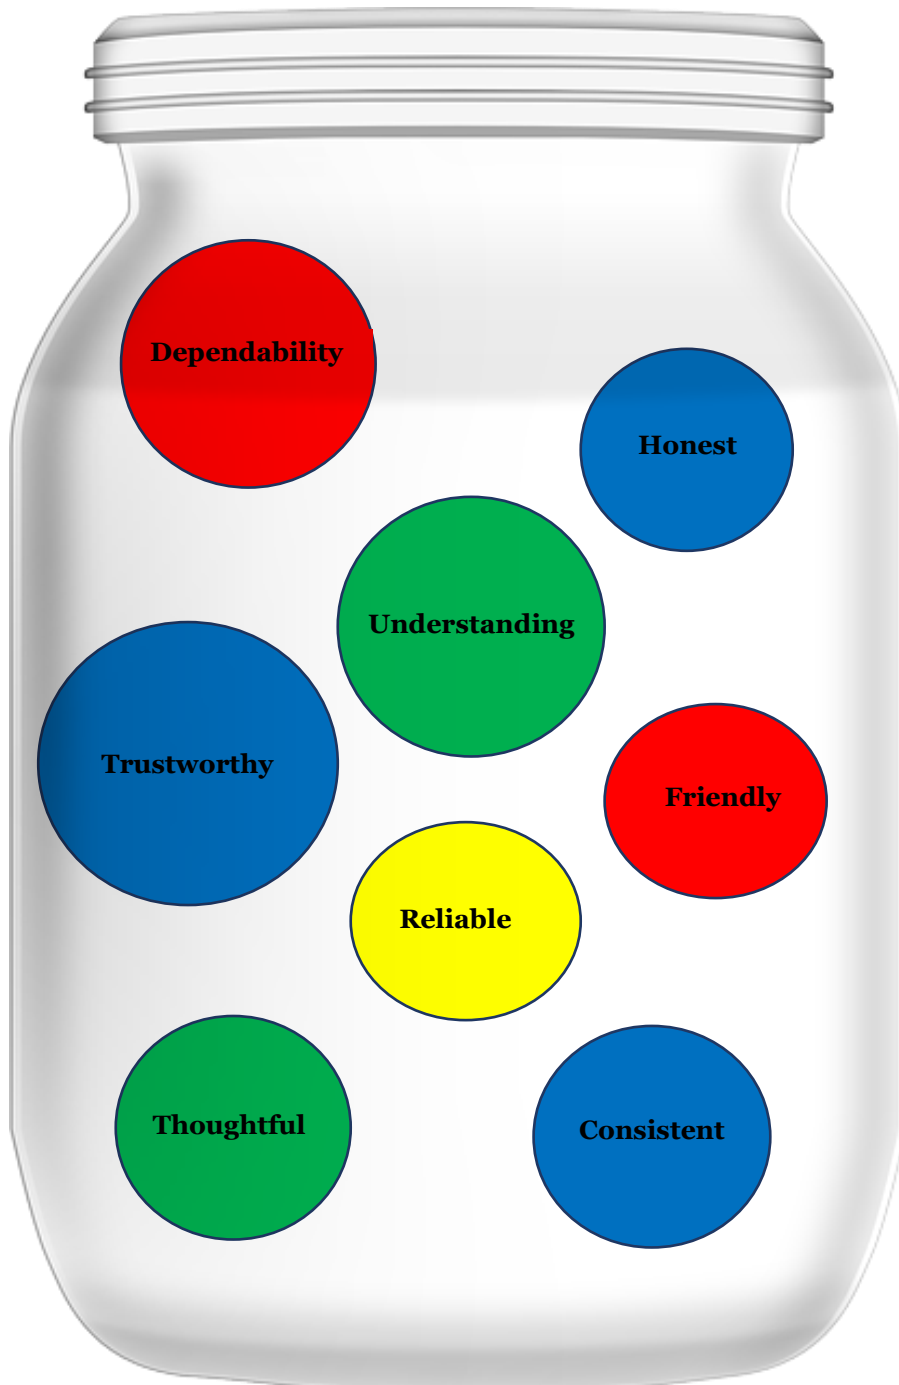

Frances had the group think about what exact personality attributes are important to each of us. She had us "fill our marble jar" with them. It was interesting to have time to sit and think about something so personal and then reflect on the findings with the group. I have some of my "marbles" on the next page.

Every last one of the 29 attendees were very engaged and asked great questions. Even as I am writing this, I am still so grateful to have had the opportunity to attend this eye-opening seminar. It was really one of the best seminars that I attended.
